

It's Your Most Important Day !!

You've worked long and hard to make it all come together. From the flowers to the church you've thought of every detail. Now, take the final step to assure you can re-live that special wedding day over and over for years to come.

LARSON PRODUCTIONS, your complete digital wedding videography center, is ready, willing and able to put your wedding & reception on videotape or DVD's for everyone to enjoy year after year. Since 1976 we've been in the video field and have the expertise, equipment, and experience to deliver a quality product at a competitive price.

Nothing is more special than a videotape or DVD of your wedding and reception in full color with sound. We can also add titles, credits, music, special effects, baby pictures and other extras that will make your wedding a "special event production" you'll be proud to show all your friends and relatives.

"We never would have thought that a professional video tape of our rehearsal, wedding, and reception would be such a treasure."

Mrs. Sharon Hedrich

LARSON PRODUCTIONS offers 6 packages to choose from so there's sure to be one to fit your budget. We can provide you with a demo tape or DVD so you can see our quality. We're not just some guy down the street with a camcorder. We're a fully equipped Video company with the latest in digital Video Technology.

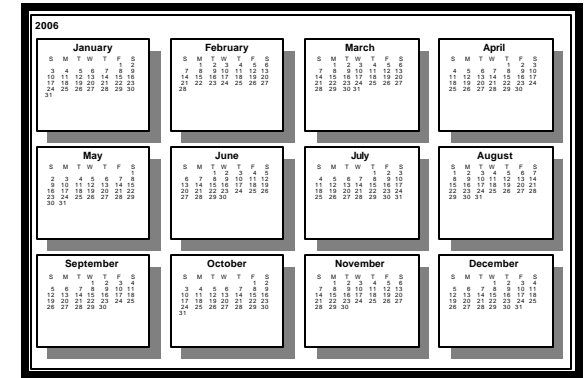

Our one or two-camera system and digital technology can give you a truly memorable video album of both your wedding and reception at a reasonable cost. We can provide you with references and a demo. Why not save all those precious wedding memories in full color and with sound, special effects and titles.

We can add titles, credits, music, special effects, baby pictures and other extras....including DVD's

Don't wait, book your special day with

LARSON PRODUCTIONS

TODAY !!

No matter what month or year you're planning your wedding, we can provide you with the best in digital wedding videography service.
